

## **45 Flash Business Templates CD**

Welcome, thank you for purchasing the SorBose 45 Flash Business Templates CD, version 3.1. Here is what is contained on the CD; it will take you a month just to review all of these (no kidding!):

- 12 Commercial Sites
- 14 Design Sites
- 8 Retail Sites
- 10 Business Sites

Save yourself THOUSANDS of hours of programming a Flash site from scratch or just use these templates to learn how to program in Flash. It is the best way to get up and running quickly in Flash. This is a great CD we guarantee it or your money back. If you are dissatisfied with this CD please ship it back to us and we will gladly refund your money (less shipping), no questions asked. That is how sure we are of our product.

### **Copyright**

The 45 Flash Business Templates CD, version 3.1 are copyright protected. The files on the 45 Flash Business Templates CD are for the purchaser's sole use only. It is for the creation of new individual Flash sites for the purchaser or for the purchaser's company and can be used to create sites for the purchaser's individual client(s) needs. Copying, selling or distributing the full CD or any part of the files in a template format or renewed template format is forbidden.
