

More challenging and more fun than regular sudoku, POKER SUDOKU© is the latest original game from the skunk works at Punzhu Puzzles. Solve Poker Sudoku just like regular sudoku. But watch out for multiple numbers! A Poker Sudoku puzzle game might have an 8 of diamonds, 8 of hearts, 8 of spades, or 8 of clubs in one grid for example! Solve Poker Sudoku by writing the number and letter of the card you wish to place in a square; 2D would mean 2 of Diamonds.
